Installation of Sidewalks on United States Route 95 (US-95) in Needles

Needles - A project to install sidewalks and curb ramps on US-95 in the City of Needles from Safari Drive to the Interstate 40 (I-40) and US-95 junction will begin next week. All work will be on the shoulder with a rare need for lane closures; the shoulder will be closed during construction. The project will impact pedestrians as the contractor works to make the sidewalks and curb ramps compliant with the American with Disabilities Act (ADA).

The work will take place Monday-Friday from 8 a.m. to 4 p.m. The project is expected to be completed by mid-December 2013.
